5. What is “Accreditation” and why is it important?

ANSWER: Accreditation is a process of validation and external quality review in which colleges, universities and other institutions of higher education are evaluated against prescribed benchmark standards to insure Quality Assurance and Quality Improvement. The standards are set by a peer review board of an accreditation agency, whose members include faculty from various other accredited colleges and universities.

6. What are the benefits of the Bible College and School of Timothy’s

ANSWER: You will be well equipped to fulfill your own ministry, possessing and in depth base of Biblical knowledge, more extensive ministry exposure and experience, leadership principles, church management, church administration and church financial management. The Bible College is designed to equip people for ministry and raise sons. It has flexibility compared to other programs, and is highly competitive in the fees charged, both in Africa and internationally.

11. What fee structure is in place?

ANSWER: The annual fees are determined yearly and may change from time to time. All fees, apart from the registration fees, must be paid prior to commencement of any studies.

12. What is the workload demand placed on the student?

ANSWER: The majority of the assignments are of a practical: hands-on nature. Students are encouraged to start them early and submit them as soon as they are done.

13. How does a student complete practical assignments as a Non-Word of Faith member?

ANSWER: Each student will work in conjunction with their Pastor as they work through each assignment at the church they are planted in and called to serve at.
NB: Non-members are welcome to join our Campus.

16. What is the pass mark?

ANSWER: Each year of study has a pre-determined minimum pass mark for graduation. The following minimum pass marks are applicable:
